

## **Privacy Policy**

Posted September 21, 2013

We will always understand your concerns about privacy. We pledge that we will not sell, rent or share your personal information with unrelated third parties. We want you to understand what types of information we collect and what my happen to that information.

If you have questions or concerns regarding this privacy, you should contact us at [shutterguardian@outlook.com](mailto:shutterguardian@outlook.com) or toll free 855 449-4637 or write:

Shutter guardian Inc.

PO Box 480

Roseland, Fl. 32957-0480

### **REGISTRATION AND USE OF INFORMATION**

No user is required to provide information in order to visit Shutter Guardian web site. A user must register, however, in order to receive email from us, to download data, to create a user account or to participate in some other Shutter Guardian services, a user may asked to provide certain categories of information. Such as name, address, email address and date of birth. The information which you supply to Shutter Guardian enables us to customize our website to your interests and enhance your overall experience at our website. In addition, it helps us communicate with you about Shutter Guardian news, events, promotions and new products.

The Shutter Guardian website contains links to sites operated by third parties. These sites may collect personally identifiable information about you. This Privacy policy does not cover third-party data collection practices and Shutter Guardian does not assume any responsibility for third-parties. Please check the privacy policies at each site you visit.

### **PASSIVE COLLECTION OF INFORMATION**

In addition to the information that you actively provide to Shutter Guardian, such as what you provide when you register for the Shutter Guardian services described above, Shutter Guardian collects information about how you interact with our website. Shutter Guardian collects passive information for purpose such as testing and improving a user's experience at the website and for compiling broad aggregate demographic data and related usage data for Shutter Guardian internal purposes. The types of passive information include, but not limited to, your IP address, which type of browser you are using, where you go on our website and how long you stay on any part of our website. We may also track how you interact with our website by assigning a random string of numbers and characters to your session. Passive information does not identify you to Shutter Guardian by name, and Shutter Guardian does not link your IP address to your personally identifiable information.

We use a cookie based data collection paradigm in certain areas of our website. Cookies are small files placed on your hard drive that assist us in providing customized services, for example, the use of cookies allows us to reduce the frequency with which you will need to enter your password on password-protection areas of our website. Additionally, in some cases, certain functionalities are only feasible through the use of cookies. You are always free to decline our cookies if your browser permits, although in that case you may not be able to use certain features on our website and/or you may be required to reenter your password more frequently during a session.

### **COLLECTION OF INFORMATION FROM CHILDREN**

The Children's Online Privacy Protection Act and other laws have been established to protect the privacy of minors. Shutter Guardian abides by all federal and state laws and guide lines regarding youth privacy. As such, Shutter Guardian will not knowingly collect any personal information from young people under the age of 18, unless Shutter Guardian provides notice that such information is being collected and obtains verifiable parental consent.

## **SHARING OF INFORMATION**

Shutter Guardian pledges that it will not sell or rent your information. Shutter Guardian may, share broad aggregate demographic data and related usage information with our business partners. This aggregate information does not contain any personal information which can identify any individual user.

While Shutter Guardian strives to protect the personal information of our users, Shutter Guardian will release personal information if required by law or in good faith belief that such action is necessary.

We may also use third parties that we refer to as internal service providers to facilitate or outsource one or more aspects of the business, product and service operations that we provide to you, and we may provide some of your personal information directly to these internal service providers. The internal service providers are subject to confidentiality agreements with us and other legal restrictions that prohibit their use of the information we provide them for any other purpose except to facilitate the specific outsource operation, unless you have explicitly agree or given your prior permission to them for additional uses. In some instances, the internal service provider may collect information directly from you. In these cases you will be notified of the improvement of the internal service provider, and all additional information you provide them and their additional uses will be strictly up to you. If you provide additional information to an internal service provider directly, then their use of your personal information is governed by their applicable privacy policy.

In the event that we, our parent company or certain of our assets or our parent's assets are acquired, user information may be included among the transferred assets.

Due to the existing regulatory environment, we cannot ensure that all of your private communications and other personal information will never be disclosed in ways not otherwise described in this Privacy Policy. By way of example (without limiting the foregoing), we may be forced to disclose personal information to the government or third parties under certain circumstances, third parties may unlawfully intercept or access transmissions or private communications, or users may abuse or misuse your personal information that they collect from the website. Therefore, although we use industry standard practices to protect you privacy, we do not promise, and you should not expect, that your personal information or private communications will always remain private.

## **SECURITY**

Shutter Guardian has security measures in place to protect against the loss, misuse and/or unauthorized alteration of the information under our control. Shutter Guardian protects personally identifiable information by utilizing both online and offline security methods, including firewalls, passwords and restricted physical access of the places where your information is stored. Our staff is trained to comply with our security procedures, and our security procedures are regularly reviewed and revised, if necessary.

## **OTHER INFORMATION COLLECTORS**

Except as otherwise expressly included in this Privacy Policy, this document only addresses the use and disclosure of information we collect from you. To the extent that you disclose your information to other parties, whether they are users on our website or other sites throughout the internet, different rules may apply to their use or disclosure of the information you disclose to them. This Privacy Policy does not apply to the practices of companies that we do not own or control, or to people that we do not employ or manage, and users of this website are encouraged to review the privacy policies of other companies that may be accessed through this website. We encourage you to ask questions before you disclose your personal information to others.

## **EMAIL OPT-OUT**

If you have signed up to receive Shutter Guardian commercial email and would like to avoid receiving such email in the future, you may opt-out of receiving it by sending an email to [shutterguardian@outlook.com](mailto:shutterguardian@outlook.com) Shutter Guardian will try to communicate with you only according to your instructions.

## PRIVACY POLICY

### **ACCEPTANCE OF TERMS**

YOUR USE OF THIS WEBSITE INDICATES AN ACCEPTANCE OF THE TERMS OF THIS PRIVACY POLICY IN EFFECT AT THE TIME OF SUCH USAGE. IF YOU DO NOT AGREE, PLEASE DO NOT USE ACCESS OUR WEBSITE.

By accepting the Privacy Policy and the User Agreement in registration, you expressly consent to our use and disclosure of your personal information in accordance with our Privacy Policy. This Privacy Policy is incorporated into and subject to the Shutter Guardian User Agreement. This Privacy Policy is effective upon acceptance in registration for new registering users, and is otherwise effective on the date first set forth above for all users.

Please note this Privacy Policy will change from time to time. We may amend this Privacy Policy at any time by posting the amended terms on the website. All amended terms shall automatically be effective 30 days after they are initially posted on the website notifying users that our Privacy Policy has changed. Our use of your personally identifiable information shall be governed by the terms and conditions of our Privacy Policy in effect at the time of such use.

Your privacy is important to Shutter Guardian. If you have questions about any of the provisions described above, please contact us at [www.shutterguardian@outlook.com](mailto:www.shutterguardian@outlook.com) or via the other contact information listed above.
